

Amp Up the Good Neighborhood Grant Program

Amplify GR (AGR) is committed to pursuing opportunities to **CONNECT** residents and local organizations, **CREATE** new opportunities, and **AMPLIFY** the existing work of residents. That’s why, we are launching the Neighborhood Grant program -- to help you Amp Up the Good in Your Neighborhood! These grants will support collaborative, neighborhood-based projects that align with the AGR focus areas of employment, entrepreneurship, housing, education and community well- being while honoring neighborhood culture, traditions and values.

Each project can receive between \$500 and \$1,000. Applicants are also encouraged to apply for the City of Grand Rapids Neighborhood Match Fund if your idea requires additional funding support.

If you are a neighbor or organization living or serving the neighborhoods in and around Boston Square and Cottage Grove, your work is critical to the ongoing vibrancy of the community.

Amplify GR Mission, Values & Pillars

In partnership with residents, neighbors, businesses, and community organizations, AGR seeks to widen pathways so that all residents have a greater opportunity to participate in and benefit from community growth.

Working in the areas of employment, housing, education and community well-being, AGR seeks to foster an environment where all neighbors can realize their potential.

A note from Amplify GR (AGR)

At AGR, we pride ourselves in being a **CONNECTOR** for the neighbors we serve. We are seeking to connect people and resources in a way that creates more opportunity to improve quality of life for all people in this community.

Your neighborhood is full of creative people with wonderful ideas. The Amp the Good grant program invests in neighbors’ next event, class, or innovation. AGR is grateful for the opportunity to work alongside you!

Amp the Good provides funding that can be used to honor and uplift the vision and priorities you have for your community.

We appreciate **YOU** for engaging in this program and we invite you to “BE THE CHANGE”!

Sincerely,
The Amplify GR Team
